

How to self-record the presentation for SOBC2020 into mp4 video files.

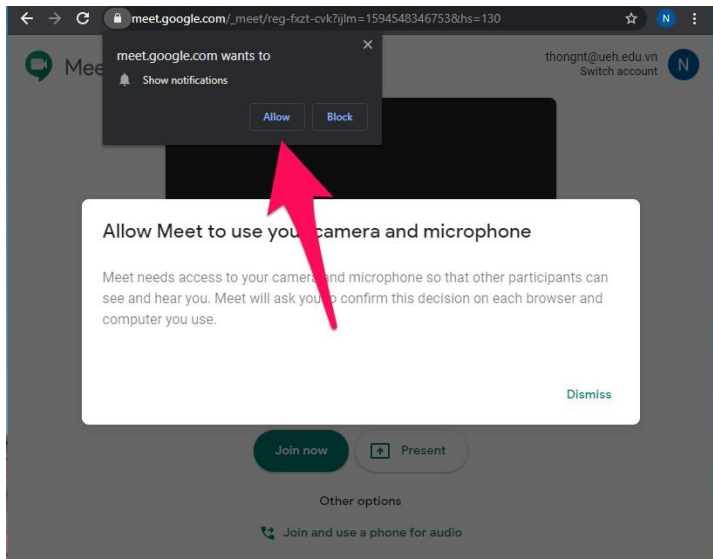

Step 1: Use Chrome to access <https://meet.google.com/>

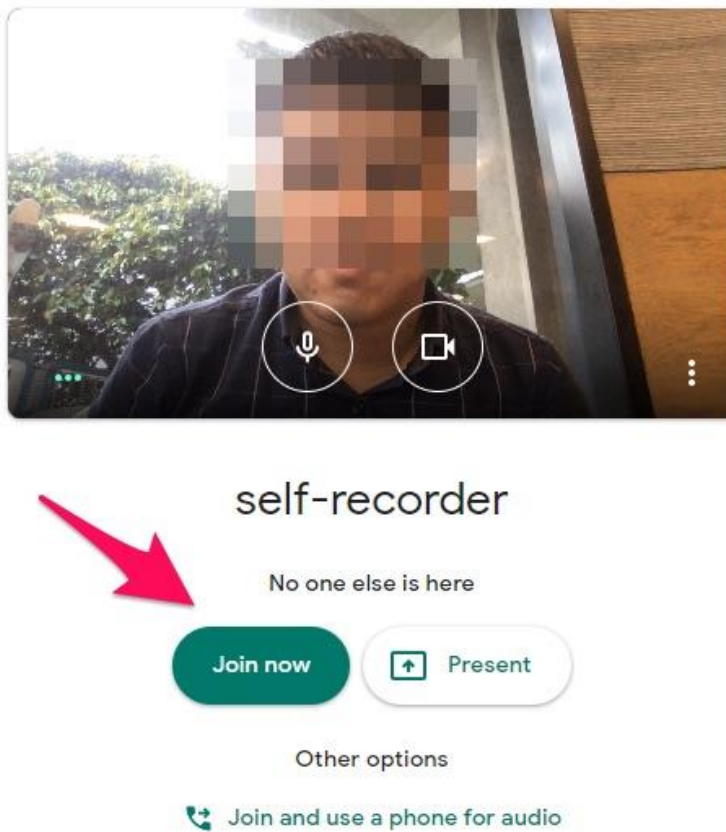

Step 2: Input a name for your clip.

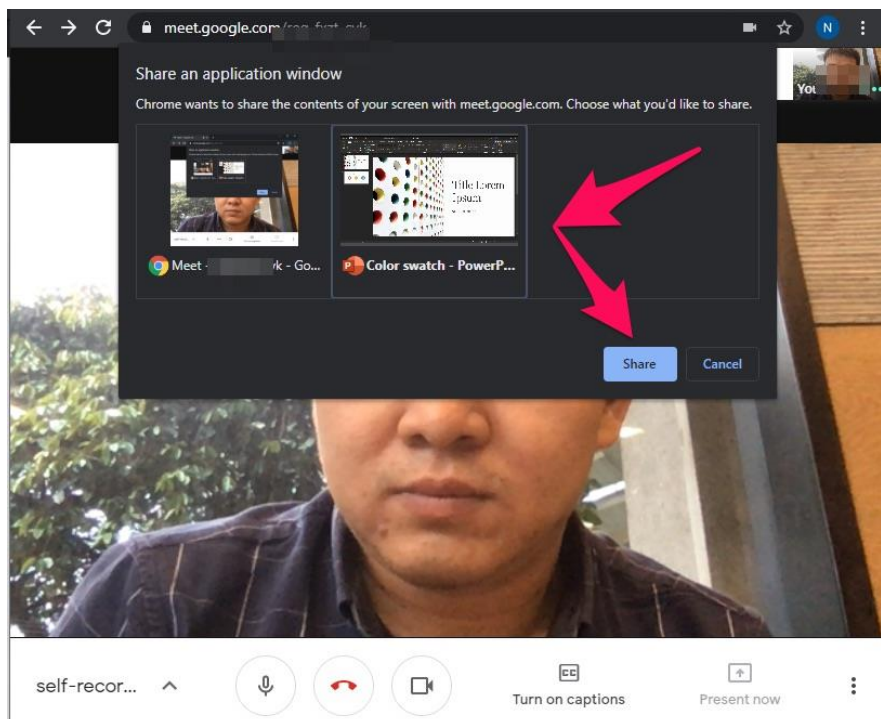

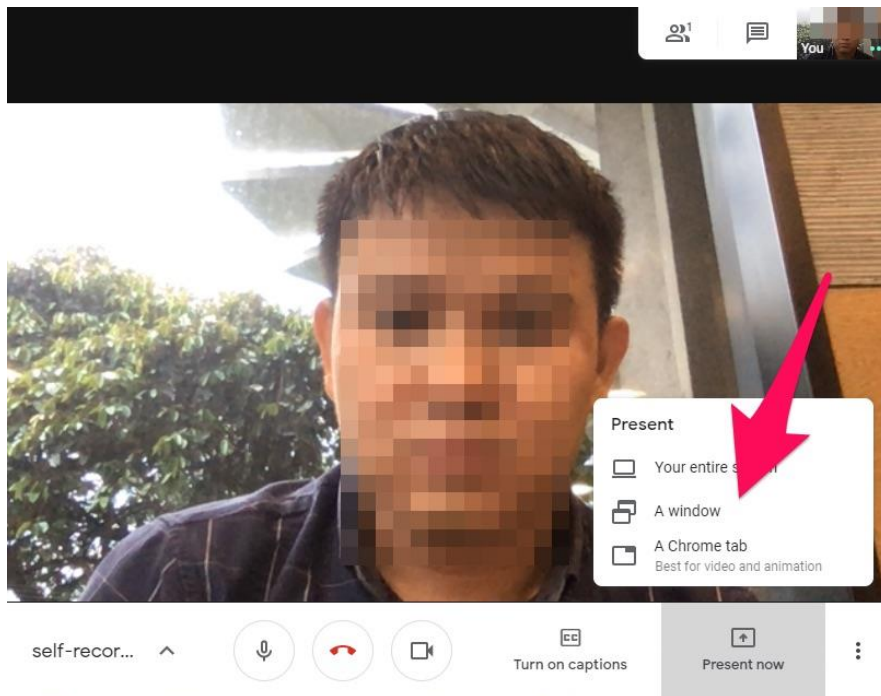

Step 3: Press Allow if the notification shows.

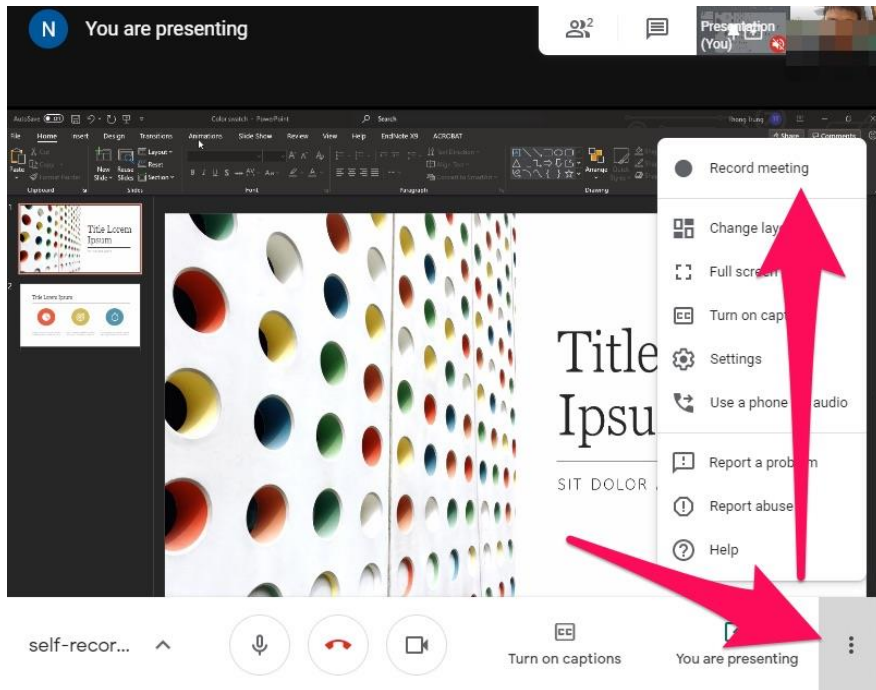

Step 4: Press Join now

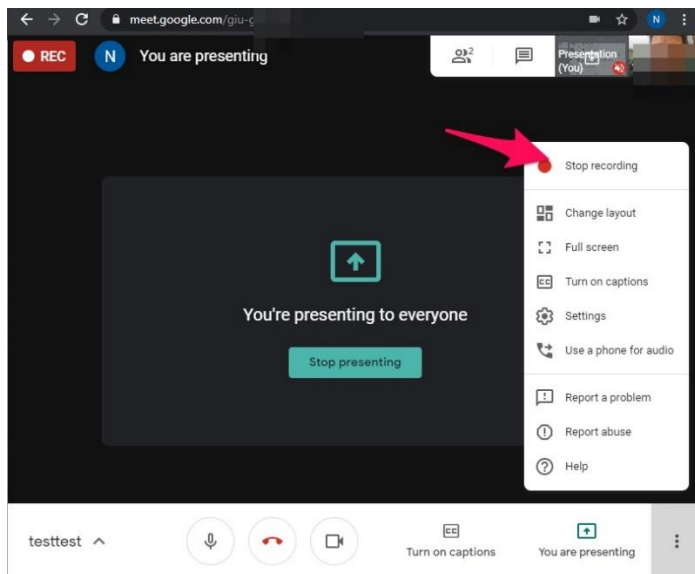

Step 5: Open your PowerPoint slides or PDFs, then Open Chrome and click Present now, A window. Then choose your windows to show in your clip.

Step 6: Press three dots, Record meeting to record your presentation.

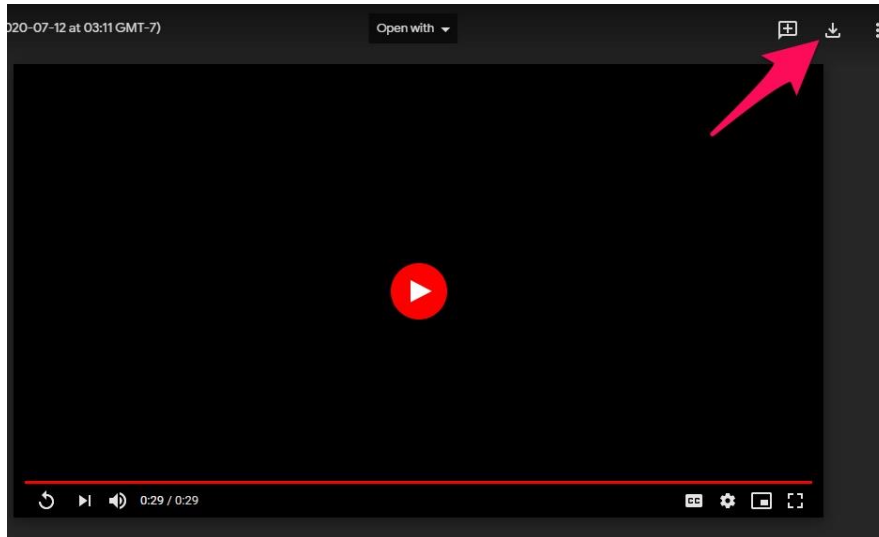

Step 7: After your presentation, click Stop recording to stop.

Step 8: You can hang up your meeting then after 5 minutes, you will receive the email with a link to your video.

Step 9: Press the download button to **save your video** and send to the SOBC2020 as requests.

Thank you for your cooperation.
